

Englisch:

**You live in Bonn and your family comes from another country?**

**Elect the new Integration Council 2025!**

**We are committed to you:**

Mixing German- and non-German-speaking children: for more integration classes as well as improved staffing and learning materials

Diversity on stage, friendship on the playing field: bringing forward sports, music and theater projects for shared experiences

Graduating from school instead of quitting: preventing young people from dropping out of school

Seizing the opportunities of digitalization: more flexibility through online integration courses and digital language learning platforms

Knowing your rights: introduction to the Grundgesetz as part of school and adult education

Understanding what is meant: explanation of administrative procedures in *Simple Language*

Bringing together workers and companies: establishing job portals specifically for migrants

Bonner helping new Bonner: for more integration guides

**Do you like these ideas?**

**Vote for the 'Liberale Liste' in the Integration Council election on 14th September!**
